No report from the County Auditor

Report from the County Commissioner:

Mr. Kostielney, President, Board of Commissioners, two brief updates, number one, we are hoping to release the leaf pick up RFP at our Tuesday meeting. There is a meeting today with PSAP, Auditor Hamann was there and a few other folks, we met with South Bend, Mishawaka to begin looking at different funding sources as we know, one of the areas that was used to determine how the dispatch center was funded is no longer viable option so we are looking at exploring numerous options going from call volume to dispatch to property values and a variety of other areas as well also the possibility of making this more of a tax driven issues to spread things around also including some of the townships. We are hoping to have information in the next thirty to forty-five days then we will begin looking at that and see how we can more equitably fund the dispatch center.

No report from Council Special Committee:

First Readings:

BILL NO. 21-18: AN ORDINANCE APPROVING THE RENEWAL OF THE HUMAN RIGHTS ORDINANCE INTERLOCAL AGREEMENT

PETITIONER(S): RAFAEL MORTON AND DIANA HESS

Assigned to the Human Services/Criminal Justice Committee

Salary Amendment(s):

BILL NO. 18-18: AN ORDINANCE AMENDING ORDINANCE 60-17, THE SAME BEING AN ORDINANCE ESTABLISHING SALARIES AND FIXING THE NUMBERS OF EMPLOYEES OF ST. JOSEPH COUNTY FOR THE YEAR 2018 (Dept. 0009 EMERGENCY MANAGEMENT) ***COMBINED WITH BILL NO. 17-18 G***

Mr. McCahill reported that Bill No. 18-18 comes with a favorable recommendation.

Petitioner was not present.

Mr. Noland made the motion to table Bill No. 18-18 and was seconded by Mr. O'Brien. The motion passed by a voice vote 9-0.

BILL NO. 19-18: AN ORDINANCE AMENDING ORDINANCE 60-17, THE SAME BEING AN ORDINANCE ESTABLISHING SALARIES AND FIXING THE NUMBERS OF EMPLOYEES OF ST. JOSEPH COUNTY FOR THE YEAR 2018 (Dept. 0013 PSAP) ***COMBINED WITH BILL NO. 17-18 D***

Mr. McCahill reported that Bill No. 19-18 comes without a recommendation.

Ray Schultz, Executive Director for PSAP, I am requesting to rearrange our organizational chart to move the two training instructors that we have into two Operations Director, one for police, one for fire. It's a budget neutral move, the money is already there.

Mr. Kruszynski: Mr. Schultz, did this go through the Operations Board and the Executive Board also?

Mr. Schultz: Yes, it has.

Mr. Kruszynski: And they approved it?

Mr. Schultz: Yes, they have.

Mr. Kruszynski: You said it's budget neutral but you are saving us twenty-five thousand dollars.

Mr. Schultz: Yes sir. Budget positive.

Mr. Kostielney, President, Board of Commissioners, I apologize I was late to the committee meeting which I would have made the comment that this was vetted through the Executive Board and we were unanimously in favor of moving forward with this. What a great job Ray has done with the dispatch center with just the fact that the improvements he has made, the productivity has been increased and the savings and cost reductions that have happened as well, I am very pleased with the job Ray has done and looking forward to helping him do an even better job.

Motion to pass Bill No. 19-18 was made by Mr. Noland and seconded by Mr. O'Brien Bill No. 19-18 was passed to-wit; 9-0

BILL NO. 20-18: AN ORDINANCE AMENDING ORDINANCE 60-17, THE SAME BEING AN ORDINANCE ESTABLISHING SALARIES AND FIXING THE NUMBERS OF EMPLOYEES OF ST. JOSEPH COUNTY FOR THE YEAR 2018 (Dept. 0011 CORONER) ***COMBINED WITH BILL NO. 17-18 E***

Mr. McCahill reported that Bill No. 20-18 comes with a favorable recommendation.

Mr. McGann, St. Joseph County Coroner, this is for the volunteers we have, reserved deputy coroners that assist us on all the calls that become state certified and everything is out of their own pocket. This is just to reimburse them a little bit when they do make calls with us to give them so much an hour.

Motion to pass Bill No. 20-18 was made by Mr. McCahill and seconded by Ms. Hess. Bill No. 20-18 was passed to-wit; 9-0

Motion to pass Bill No. 17-18 except for item G was made by Mr. O'Brien and seconded by Ms. Hess. Bill No. 17-18 was passed to-wit; 9-0

Land Use:

BILL NO. 1-18: AN ORDINANCE AMENDING AND SUPPLEMENTING TITLE XV, LAND USAGE, CHAPTER 154, PLANNING AND ZONING, OF THE ST. JOSEPH COUNTY CODE, AS AMENDED, FOR PROPERTIES LOCATED AT 14017 DRAGOON TRAIL AND VACANT LAND WEST OF THE ADJACENT TO 14017 DRAGOON TRAIL FROM R: SINGLE FAMILY DISTRICT TO C: COMMERCIAL DISTRICT PETITIONER(S): SAMUEL A. MERCANTINI

Mr. Noland reported that Bill No. 1-18 comes with a favorable recommendation.

Angela Smith, Area Plan Commission, the petitioner is seeking to rezone the property at the corner of Dragoon and Elm and now with the realignment of Capital is also borders Capital Avenue. It is surrounded by R Single Family District. The site plan is not proposing to change anything that is on the site other than maybe designate some of the parking a little more clearly. This comes to you from the Area Plan Commission with a favorable recommendation subject to three written commitments, first, there be no access to Elm Road, which the petitioner I believe, has already closed off, two, the uses shall be limited to primary uses listed in B Business plus auction room, clubs and lodges, convention halls/meeting halls, second hand stores and rummage shops, these are all things that would require the C Commercial zoning that have been used on the property in the past and the third being no off premises signage permitted on the property.

Mr. Mercantini: I am the owner of the property. I am asking for the rezoning. Fifty years or so, the property has been used as a commercial property and November of last year, I received a letter from the Zoning and Business Services Administrators telling me that the signs on the building were illegal and the way to cure that would be to rezone the property. That is why I am here today.

Motion to pass Bill No. 1-18 was made by Mr. Kruszynski and seconded by Mr. Catanzarite. Bill No. 1-18 was passed to-wit; 9-0

BILL NO. 2-18: AN ORDINANCE AMENDING AND SUPPLEMENTING TITLE XV, LAND USAGE, CHAPTER 154, PLANNING AND ZONING, OF THE ST. JOSEPH COUNTY CODE, AS AMENDED, FOR PROPERTY LOCATED AT SOUTH-EAST CORNER OF EDISON ROAD AND WALNUT ROAD FROM A: AGRICULTURAL DISTRICT TO M: MANUFACTURING INDUSTRIAL DISTRICT AND GRANTING A SPECIAL USE PERMIT FOR A READ MIX CONCRETE PRODUCING FACILITY PETITIONER(S): GOLDEN REALTY, LLC

Mr. Noland reported that Bill No. 2-18 comes with a favorable recommendation.

Angela Smith, Area Plan Commission, I will start by updating the Council. The special use that was read in the title was not necessary for this project. After finding out more about what the petitioner does on this property, they wouldn't need that special use, the ordinance that was heard by the Plan Commission and legally advertised did not include that so it comes to as an amended ordinance that does not include the special use so you will just be voting on the rezoning from A Agricultural to M Manufacturing. There is nothing currently on the site, it is a tilled field, it's proposed for the addition of a concrete batch plant. As part of the process's what they are going through, they

also have also agreed to dedicate some land to the county along Edison Road for future road improvements and some land to the south, an easement to the south for some future improvements as well. This comes to you with a favorable recommendation.

Brian McMarrow, Abonmarch Consultants, 750 Lincoln Way East, South Bend, on behalf of Golden Realty, the owner and also Smith Ready Mix, the contract purchaser, they are under contract to purchase these twenty acres and to develop about half of it for their concrete plant. They want to be positioned geographically and competitively to help with the economic growth that is expected in St. Joseph County. We agree with everything Angela said on behalf of the Area Plan Commission.

Bill Schalliol, Economic Development Director for St. Joseph County, I am here in support of this project, this is the first of several projects that we'll announce this year in New Carlisle, we are excited about this project, we think it's a great fit for the area, we appreciate the opportunity to work with petitioner on the Edison Road right of way as well as the rail access.

Mr. O'Brien: I just want to confirm what I think we discussed at the committee meeting that this is within the TIFF area, correct?

Mr. Schalliol: That is correct.

Mr. O'Brien: And you do not anticipate coming back asking for an abatement.

Mr. Schalliol: To this point, that has not been part of the discussion.

Mr. Noland: Just to get on the record, the special use reference has been removed.

Motion to pass amended Bill No. 2-18 was made by Mr. Telloyan and seconded by Mr. O'Brien. Bill No. 1-18 was passed
to-wit; 9-0

BILL NO. 3-18: AN ORDINANCE AMENDING AND SUPPLEMENTING TITLE XV, LAND USAGE, CHAPTER 154, PLANNING AND ZONING, OF THE ST. JOSEPH COUNTY CODE, AS AMENDED, FOR PROPERTY LOCATED AT 10250 MCKINLEY FROM R: SINGLE FAMILY DISTRICT TO C: COMMERCIAL DISTRICT PETITIONER(S): CRAIG E. AND DEBRA D. ANTHONY

Mr. Noland reported that Bill No. 3-18 comes with a favorable recommendation.

Angela Smith, Area Plan Commission, the current site has a single-family home with a large accessory structure in the rear. The proposal is to keep the existing single-family home which would be shared between an office and accessory residential unit and then a new accessory structure would be built in the rear to accommodate equipment for the contractor yard. There are no changes to the site plan that the petitioner has indicated other than some future paving of the site. This comes to you from the Area Plan Commission with a favorable recommendation.

Craig Anthony, 10413 Caitlin Court, Osceola, the forty by eighty building I am going to put up will also give me the opportunity that I can store everything in sight. I don't want a lot of stuff around. I am not putting any signs up, I am not wanting any retail traffic.

Motion to pass amended Bill No. 3-18 was made by Mr. Root and seconded by Mr. O'Brien. Bill No. 3-18 was passed
to-wit; 9-0

**BILL NO. 16-18: A RESOLUTION OF THE ST. JOSEPH COUNTY COUNCIL DECLARING A PORTION OF ST. JOSEPH COUNTY AN ECONOMIC REVITALIZATION AREA, PURSUANT TO IC.6-1.1-12.1-1 ET SEQ. DECLARATORY RESOLUTION
PETITIONER(S): ABTREX INDUSTRIES, INC.**

Mr. Noland reported that Bill No. 16-18 comes with a favorable recommendation.

Bill Schalliol, Economic Development Director, Abtrex business has been in the community for a number of years, experienced pretty severe industrial accident back in November. As part of that process, seeking to rebuild a new facility on its site. They have a multiple building campus looking to build a new building. They are currently working through a process whereby they are working with insurance adjustment so as they get the adjustments on the property those numbers may change. The final numbers will be presented to you in the form of a final resolution.

Mr. Telloyan: When you spoke to the committee meeting two weeks ago, you mentioned that the project now sits at five hundred and twenty-five points. Can you briefly explain what you mean by that and how it's calculated?

Mr. Schalliol: In county statute for the tax abatement there is a whole point system for how you score additional years of abatement. Abatement, if it meets the basic requirements is given three years of abatement and then you can get up to seven years of additional abatement. There is a scoring matrix in the statute that calculates points so right now, based on the petitioner's answers, that gives him four years of additional abatement, seven years total real property abatement. When they come back for the confirming, we will confirm all those numbers, there are some numbers there that as it relates to contracts, buying local materials, there are a couple other categories that are more confirming resolution appropriate.

John Hauser, Abtrex Industries, 1002 S. Twyckenham Dr. South Bend, as Mr. Schalliol outlined, we are in the process of negotiations with the insurance company so until that is finalized our owner has basically said we are going to put all the final decisions on hold. At this time, he is not ready to move forward until that is done. Part of our planning involves the abatement process.

Mr. O'Brien: Just an observation that this is a little out of the ordinary because we don't know the project is for sure going forward yet so I think it's important that when we get to the point of the confirmatory resolution that we revisit, make sure that the numbers add up for the proper level of abatement. Right now, the plan sounds solid but until we get to that point, there are a lot of questions in my mind.

Mr. Morton: Mr. O'Brien, I would just like to add further that you are thoughts are very well taken. There was a discussion between myself and Ms. Hess that we were going to actually meet with Mr. Schalliol before that time comes to do exactly what you are talking about, to make sure that these numbers add up. I appreciate your comments.

Ms. Hess reported that Bill No. 98-17 comes with a favorable recommendation.

Mr. Schalliol, Economic Development Director for St. Joseph County, here today asking for an economic development position.

Mr. O'Brien: How did we come up with the fifty eight-thousand-dollar salary.

Mr. Schalliol: I think we started at eight five and moved backwards so by the time you take out all the pieces and parts, that's the budget range. As we looked at what this position needed to pay as it related to other county positions at this level, that's right in line with the other positions we are seeking to fill.

Mr. O'Brien: When you say in line with other county positions, what are the other similar positions?

Mr. Schalliol: Assistant Director of Area Plan Commission to some of the county engineering positions, some of the health department positions that are similar levels and really what the market is paying. This is a well under paid versus others in this building that do economic development in the city of South Bend. It's in line with what Mishawaka pays and other area communities.

Privilege of the Floor:

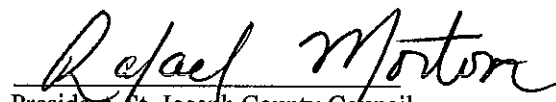

Mr. O'Brien: I would like to make an observation concerning within St. Joseph County the amount of land that is within a TIFF. It's an issue that is near and dear to my heart that I have complained about for a while and I asked Mr. Schalliol to get me some data which he did very promptly and I just want to share with the council that within St. Joseph County's boundaries which includes the land in the city of South Bend and Mishawaka as well, we have nearly twenty-five thousand acres of land within TIFF's. My understanding from reviewing South Bend Tribune articles is that we lead the state in that, we are the county with the largest percentage of land in TIFF's, it's a concern I have as we are bumping up against the fiscal cliff, it's a concern that I have as each of the taxing units is running out of money or seems to be running out of money other than the TIFF's which seem to have lots of resources or at least some of them do. I just wanted to share that bit of information with the general public as well as my colleagues on the council.

Mr. Noland: I don't know for a fact if we are the largest county or largest area of TIFF's in the county, not that I disbelieve you but, there is a caveat that we also have the thousands of acres out in New Carlisle that recently have become a TIFF with the whole intention of having this mass site for that so it's a bit of an outlier when you compare it to other counties and TIFF's.

Mr. O'Brien: That is a fair point, I appreciate you pointing that out.

Adjournment: Mr. Morton stated that the meeting was adjourned 6:47 p.m.
